Vendor Instructions

- **Don't forget:** flashlights (it will be dark during setup), portable phone battery charger, credit card reader, change, brochures/business cards, holiday décor, decorative solar or battery powered lights, etc. Electricity is NOT provided.
- **We do NOT provide** tents, tables, chairs, etc. Your vendor fee covers annual membership to LocalShops1 and the space (big enough to accommodate a 10 by 10 tent; for restaurants/food trucks/those who signed up for double space, you get 20 feet wide/frontage, 10 feet deep). Again, you are responsible for tent/table/chairs/etc.
- **Check in at the LocalShops1 stations** (in the middle of the park) to get space assignment, then unload and park your car before beginning to set up. You must be completely set up by 9 am. Event starts at 10!
- **When to arrive:** Preferred setup time is 2-5 pm Friday Nov 29. Alternate setup is 6 to 7 am Saturday if you'd like to drive up to your space, or 7-8 am if you plan to unload curbside. If you arrive after 9 am you may be turned away and will not receive a refund. (Please note that if the grass is soggy, the city might NOT allow you to drive up, regardless of what time you arrive. Only exception is for food trucks, food trailers and mobile boutiques.)
- **Where to park:** The best option is Northshore Parking, or Sundial parking garage. It's only a few dollars for the whole day. Don't park at the metered spots. You most likely will get a parking ticket and you will be making it more difficult for shoppers to find parking!
- **When to leave:** Breakdown starts at 5 pm Sunday. Do not start breaking down before that. Doing so messes up the flow of the event, is disruptive to shoppers, and is very inconsiderate of your fellow vendors. On Saturday, the city plans to hold its nighttime holiday parade and many roads will be blocked. You will not be able to drive up to your space until the parade is over. We DO have overnight security Friday and Saturday nights, so most vendors choose to leave tents/tables/etc and use a cart to roll out merchandise. Best yet, wait for the parade to be over and roads are cleared.
- **Electricity:** We do NOT provide any electricity. Food trucks/restaurants only: **Whisper-quiet, no-gas generators allowed**, as long as they don't disturb fellow neighbors or event flow. We have the right to ask you to turn off generators if they disrupt vendors or shoppers.

Make your booth stand out!

Shopapalooza Festival kicks off the holiday shopping season on Small Business Saturday, so stay with the theme and follow tactics successful retailers use to attract customers:

- Holiday-themed booth display
- In addition to regularly priced merchandise, have markdown bins and an amazing "Black Friday-esque" special offer. A "10 percent off" sale isn't much of a draw. Instead, offer a few deals that they just can't pass up. BOGOs, prize-with-purchase, etc.
- Free raffles (great way to build your email list), "door prizes" and Spin-the-Wheel for prizes (company T-shirts, coupons, branded mugs, etc)
- Candy attached to your brochures or business cards
- Give them more reasons to stop at your booth: samples, smiles, dog treats, candy.

And here is more advice from past 'Palooza vendors!

- This is a long day, and you'll want to take breaks to keep you going and to shop! Bring at least one friend, and ask others to come even for an hour or two to help.
- It's tough to keep smiling all day long if you're hungry and tired.
- Bring a hand cart/dolly (big wheels to make it easier to go through grass), plus a kit with flashlights (it's dark during setup), suntan lotion, zip ties, pens, portable phone charger.
- Don't forget brochures, email sign-up sheets and your credit card reader!
- Don't sit back and play on your phone. Make eye contact with customers, and engage with conversation. Become your brand and tell your story. People buy from people they like.
- Make it easy for shoppers: Label all items with pricing, keep things organized in bins, and be attentive but not overbearing. Have change for cash customers and Square/PayPal Reader for credit card customers. Don't lose a sale by making it difficult for someone to pay you!
